

American Recovery and Reinvestment Act of 2009
NH Clean Water SRF - Stimulus Preapplications

RECOVERY.GOV

Total Projects Received: 324
Total Dollar Amount: \$637,024,189

APPLICANT	LOCATION	PROJECT NAME	TOTAL
Town of Acworth	Acworth	Town of Acworth, Bowers Brook Restoration/Stabilization	\$250,000
Town of Allenstown	Allenstown	WWTF Upgrade & Expansion	\$15,500,000
Town of Allenstown	Allenstown	Sewer System Rehabilitation	\$510,000
Town of Allenstown	Allenstown	Biological Process Modification	\$1,625,000
Town of Allenstown	Allenstown	Library Street Force Main Phase II	\$310,000
Town of Allenstown	Allenstown	WWTF Dewatering System Upgrade	\$813,000
Town of Allenstown	Allenstown	WWTF Odor Control System	\$500,000
Town of Allenstown	Allenstown	WWTF Septage Truck Scale	\$486,000
Town of Allenstown	Allenstown	Headworks Building	\$5,250,000
Town of Allenstown	Allenstown	Septage Receiving Facility	\$2,340,000
Town of Allenstown	Allenstown	Dewatering Building	\$3,950,000
Town of Amherst	Amherst	Baboosic Lake Phase 4: Expansion of Community Wastewater Collection System	\$485,000
Baboosic Lake Assoc	Amherst	Baboosic Lake Stormwater Improvement Project	\$115,000
Bay Dist Sewer Comm	Center Harbor	Lakeshore Drive Pump Station Replacement Center Harbor & Moultonborough	\$240,000
Bay Dist Sewer Comm	Center Harbor	Infiltration and Inflow Analysis and Sewer System Evaluation Survey	\$60,000
Bay Dist Sewer Comm	Center Harbor	Warf Road Pump Station Upgrade	\$260,000
Bay Dist Sewer Comm	Center Harbor	Wastewater Treatment Lagoon Improvements	\$105,000
Bay Dist Sewer Comm	Center Harbor	Lagoon Pump Station Force Main Evaluation	\$120,000
Bay Dist Sewer Comm	Center Harbor	Lagoon Pump Station Upgrade	\$185,000
Bay Dist Sewer Comm	Center Harbor	Lagoon Pump Station Intake Structure Replacement	\$82,000
Town of Bedford	Bedford	Eastman Avenue Culvert Restoration & Stream Dredging	\$127,000
Town of Bedford	Bedford	Drainage System Upgrades: Improvement & Expansion of Stormwater Drainage System	\$100,000
Town of Bedford	Bedford	Route 101 Sewer Extension Project	\$1,975,000
Town of Belmont	Belmont	Ladd Hill Drainage Improvements	\$600,000
City of Berlin	Berlin	Route 110 Municipal Sewer Construction & Pump Station Upgrade	\$2,850,238
City of Berlin	Berlin	West Side Main Storm System Repairs	\$207,000
City of Berlin	Berlin	East Milan Road Pump Station, Gravity Sewer & Phase 2 WWTF Upgrade	\$21,627,000
Town of Boscawen	Boscawen	Boscawen Salt / Sand Facility Construction to House and Seclude Leaching of Sodium Chlorite Supply	\$78,000
Town of Boscawen	Boscawen	Projects #3 & #4 Wastewater Improvements	\$2,575,000
Town of Bow	Bow	Route 3A Gravity Sewer Extension & Pump Stations (2)	\$12,442,000
Town of Bridgewater	Bridgewater	Ash Management Recovery Project	\$47,500
Town of Bristol	Bristol	Newfound Lake Sewer Extension Project - Phase I	\$5,879,000
Town of Bristol	Bristol	Newfound Lake Sewer Extension Project - Phase II	\$17,805,000
Town of Bristol	Bristol	Avery Crouse Beach Stormwater Project, Newfound Lake	\$517,828
Town of Canaan	Canaan	Goose Pond Road Low Salt Area Incorporation Into Winter Maintenance Policy	\$110,950
Town of Canaan	Canaan	Canaan WWTF Upgrade	\$472,000
Town of Charlestown	Charlestown	West Side Infrastructure Improvements WW Collection, Stormwater Mgmt, Water Distribution	\$2,594,900
Cheshire County Facility	Westmoreland	Wastewater Treatment System Upgrades	\$450,000
Town of Chichester	Chichester	Perry Brook Culvert Replacements	\$495,000

American Recovery and Reinvestment Act of 2009
NH Clean Water SRF - Stimulus Preapplications

APPLICANT	LOCATION	PROJECT NAME	TOTAL
City of Claremont	Claremont	Charlestown Road Sanitary Sewer System Repair & Renovation	\$1,375,000
City of Claremont	Claremont	Charlestown Road Stormwater System Repair & Renovation	\$825,000
City of Claremont	Claremont	Elm St. Neighborhood Sanitary Sewer System Repair & Renovation	\$825,000
City of Claremont	Claremont	Elm St. Neighborhood Stormwater System Repair & Renovation	\$550,000
City of Claremont	Claremont	Summer / Tyler / Mulberry Streets Sewer System Repair & Renovation	\$660,000
City of Claremont	Claremont	Summer / Tyler / Mulberry Streets Stormwater System Repair & Renovation	\$357,000
City of Claremont	Claremont	Broad Street - Stormwater System Repair	\$57,500
Town of Colebrook	Colebrook	Water & Sewer Improvements & Replacements	\$2,875,000
City of Concord	Concord	Hall Street WWTF Influent Screw Pump Upgrade	\$340,000
City of Concord	Concord	Hall Street WWTF Biotower Refurbishment	\$2,000,000
City of Concord	Concord	Hall Street WWTF SCADA Phase II-B	\$300,000
City of Concord	Concord	Hall Street WWTF Sludge Conveyor Upgrade	\$300,000
City of Concord	Concord	Bow Brook Culvert Replacement	\$450,000
City of Concord	Concord	West Sugrabb Road Drainage Outfall	\$170,000
City of Concord	Concord	Sanitary Sewer Rehabilitation Project	\$305,000
Conway Village Fire District	Conway	WWTF Upgrade Phase II	\$18,000,000
Crotched Mountain Rehab Ctr	Greenfield	Wastewater System Improvements	\$2,000,000
Town of Danville	Danville	Sandown Rd. Culvert Replacement and Road Section Rebuilding	\$261,000
Town of Danville	Danville	Sandown Rd. Culvert and Road Replacement	\$231,000
Town of Derry	Derry	Rockingham Road - NH Rte. 28 Municipal Sewer Extension	\$1,312,500
City of Dover	Dover	Energy Efficiency and Renewable Energy Opportunities at WWTP	\$1,016,728
City of Dover	Dover	River Street Pump Station Odor Control	\$676,000
City of Dover	Dover	WWTP Aeration Blowers - Retrofit	\$558,314
City of Dover	Dover	Dover Inflow and Infiltration Rehabilitation Projects, Phase I	\$292,500
City of Dover	Dover	River Street Sewer Pump Station Upgrade	\$2,400,000
City of Dover	Dover	Broadway Drainage Improvements Under B&M Rail Line	\$4,000,000
City of Dover	Dover	Tolend Road Sewer Project	\$1,525,000
Town of Durham	Durham	Dover Road Pump Station Improvements (Phase II-Force Main)	\$2,375,000
Town of Durham	Durham	Dover Road Pump Station - (Phase I)	\$1,500,000
Town of Durham	Durham	WWTF Sludge Dewatering Upgrade	\$987,500
Town of Durham	Durham	WWTF Aeration System Upgrade	\$625,000
Town of Durham	Durham	Strafford Ave / Meadow Road Inflow/Infiltration Rehabilitation	\$200,000
Town of Durham	Durham	West End Sewer Improvements - Phase II	\$786,000
Town of Durham	Durham	West End Sewer Improvements - Phase I	\$432,000
Eastman Community	Grantham	Sewer Improvements: New Headworks Building & Pump Station Replacement	\$360,000
Town of Enfield	Enfield	Force Main Removal & Relocation for (NHDOT) Bridge Replacement	\$1,129,400
Town of Epping	Epping	Septage Receiving Station	\$187,000
Town of Epping	Epping	Mill Street Pump Station	\$246,000
Town of Epsom	Epsom	Suncook River Restoration Project	\$3,750,000
Town of Exeter	Exeter	Industrial Rive Culvert Improvements (Stormwater) Replacement (2) to Discharge 100 Year Flow	\$144,000
Town of Exeter	Exeter	WWTF Sludge Removal	\$465,000
Town of Exeter	Exeter	Water Street Diversion Structure Piping Improvements	\$270,000
Town of Exeter	Exeter	Main Pumping Station Roof Replacement	\$35,000
Exeter Hospital	Exeter	Exeter Hospital Cross Country Sewer	\$121,625
Town of Farmington	Farmington	WWTF Upgrade	\$8,400,000
Town of Farmington	Farmington	WWTF Upgrade Rapid Infiltration Beds	\$2,100,000
City of Franklin	Franklin	Terrace Road Sewer Main Replacement	\$287,500
City of Franklin	Franklin	Citywide Inflow & Infiltration Reduction Measures	\$1,500,000

American Recovery and Reinvestment Act of 2009
NH Clean Water SRF - Stimulus Preapplications

APPLICANT	LOCATION	PROJECT NAME	TOTAL
Town of Goffstown	Goffstown	Mast Road Sewer Main Upgrade	\$2,500,000
Town of Goffstown	Goffstown	Lynchville / Davis Park Water / Sewer Extension	\$2,000,000
Town of Goffstown	Goffstown	South Mast Drainage Improvements	\$700,000
Town of Goffstown	Goffstown	Kendall Hadley Road Drainage Project	\$1,240,000
Town of Goffstown	Goffstown	South Mast Street Drainage Improvements	\$660,000
Town of Gorham	Gorham	WWTF Upgrade: Replacement of Operations Control Panel, Telemetry Communications Computer & Software & Effluent Flow Metering Upgrade	\$61,000
Town of Gorham	Gorham	Sewer System Evaluation for Extraneous Flow, Repair & Replacement	\$80,000
Town of Gorham	Gorham	Stormwater Drainage Installation Project	\$35,500
Town of Greenland	Greenland	Fire Station Floor Drain System	\$32,500
Town of Greenland	Greenland	Salt Shed	\$425,000
Town of Greenville	Greenville	WWTF Upgrades	\$5,750,000
Town of Greenville	Greenville	WWTF Clarifier Upgrades: Two New Secondary Clarifiers	\$862,500
Town of Greenville	Greenville	Manhole Rehabilitation	\$115,000
Town of Hanover	Hanover	Aeration System & Blower Replacement	\$785,000
Town of Hanover	Hanover	Water Reclamation Facility Upgrade	\$5,215,000
Town of Hanover	Hanover	Pump Station No 5 Upgrade	\$380,000
Town of Hanover	Hanover	Slipline 8" VC Sewer on South Main Street (MH 192 to 191; 295')	\$15,266
Town of Hanover	Hanover	Slipline 6" VC Sewer on Rip Road (MH 713 to 712; 260')	\$13,455
Town of Hanover	Hanover	Slipline 8" VC Sewer on Currier Place (MH 473 to 472; 250')	\$12,937
Town of Hanover	Hanover	Slipline 8" VC Sewer on Occom Ridge Road (MH 316 to 315; 205')	\$10,609
Town of Hanover	Hanover	Slipline 8" VC Sewer on Occom Ridge Road (MH 316A to 316; 250')	\$12,937
Town of Hanover	Hanover	Slipline 8" VC Sewer on Occom Ridge Road (MH 317 to 316A; 220')	\$11,385
Town of Hanover	Hanover	Slipline 6" VC Sewer on Seargent Street (MH 525 to 524; 210')	\$10,867
Town of Hanover	Hanover	Slipline 6" VC Sewer on Occom Ridge Road (MH 319 to 319A; 350')	\$18,112
Town of Hillsborough	Hillsborough	WWTF General Improvements	\$1,053,892
Town of Hillsborough	Hillsborough	Sewer Collection System Improvements	\$1,187,504
Town of Hinsdale	Hinsdale	Hinsdale WWTP Generator Replacement Project	\$37,000
Town of Hinsdale	Hinsdale	Main Street / Brattleboro Road Sewer Line Replacement Project	\$650,000
Town of Holderness	Holderness	Holderness Village Wastewater Improvement: Extension from WWTF to Village Center	\$6,900,000
Town of Hooksett	Hooksett	WWTP Phase 2 Capital Improvements	\$6,224,375
Town of Hooksett	Hooksett	WWTP Phase 2 Capital Improvements & Compost Facility	\$9,460,000
Town of Hudson	Hudson	Replace Abbott Street, Bond Street and Chatham Street Sewer Lines	\$47,300
Intervale Country Club	Machester	Riverbank Reconstruction / Stabilization	\$700,000
Town of Jaffrey	Jaffrey	Effluent Filtration & Pellet Boiler at WWTF	\$2,040,000
Town of Jaffrey	Jaffrey	River Street & Nelson Circle Pump Station Replacements	\$262,500
Town of Jaffrey	Jaffrey	Collection System Rehabilitation: Sewer Main Lining & Manhole Rehabilitation	\$1,035,000
Town of Jaffrey	Jaffrey	WWTF Upgrade	\$13,371,000
City of Keene	Keene	WWTP Advanced Treatment	\$16,862,485
City of Keene	Keene	Headworks Treatment - Fine Screening	\$431,650
City of Keene	Keene	WWTP Upgrade Projects	\$1,945,548
City of Keene	Keene	Wastewater Infrastructure Project - Phase 1: Replacement of Existing Wastewater Collection System and Utilities Including Stormwater	\$2,259,216
City of Keene	Keene	Wastewater Infrastructure Project - Phase 2: Replacement of Existing Wastewater Collection System and Utilities Including Stormwater	\$1,996,541

American Recovery and Reinvestment Act of 2009
NH Clean Water SRF - Stimulus Preapplications

APPLICANT	LOCATION	PROJECT NAME	TOTAL
City of Keene	Keene	Wastewater Infrastructure Project - Phase 3: Replacement of Existing Wastewater Collection System and Utilities Including Stormwater	\$1,615,958
City of Keene	Keene	Wastewater Infrastructure Project - Phase 4: Replacement of Existing Wastewater Collection System and Utilities Including Stormwater	\$1,446,002
City of Keene	Keene	Wastewater Infrastructure Project - Phase 5: Replacement of Existing Wastewater Collection System and Utilities Including Stormwater	\$1,333,150
City of Keene	Keene	Wastewater Infrastructure Project - Phase 6: Replacement of Existing Wastewater Collection System and Utilities Including Stormwater	\$711,895
City of Keene	Keene	Wastewater Infrastructure Project - Phase 7: Replacement of Existing Wastewater Collection System and Utilities Including Stormwater	\$1,614,643
City of Keene	Keene	Stormwater Infrastructure Project - Phase 1: Replacement of Existing Stormwater System and Utilities Including Wastewater Collection	\$597,540
City of Keene	Keene	Stormwater Infrastructure Project - Phase 2: Replacement of Existing Stormwater System and Utilities Including Wastewater Collection	\$1,269,461
City of Keene	Keene	Stormwater Infrastructure Project - Phase 3: Replacement of Existing Stormwater System and Utilities Including Wastewater Collection	\$1,138,982
City of Keene	Keene	Stormwater Infrastructure Project - Phase 4: Replacement of Existing Stormwater System and Utilities Including Wastewater Collection	\$1,251,705
City of Keene	Keene	Stormwater Infrastructure Project - Phase 5: Replacement of Existing Stormwater System and Utilities Including Wastewater Collection	\$1,086,319
City of Keene	Keene	Stormwater Infrastructure Project - Phase 6: Replacement of Existing Stormwater System and Utilities Including Wastewater Collection	\$1,899,770
City of Keene	Keene	Stormwater Infrastructure Project - Phase 7: Replacement of Existing Stormwater System and Utilities Including Wastewater Collection	\$1,152,735
City of Laconia	Laconia	Pendleton Beach - Rte 11B Sewer Extension Project	\$2,539,000
City of Laconia	Laconia	Massachusetts Avenue Sanitary Sewer Pump Station Upgrade	\$632,500
City of Laconia	Laconia	Anthony Drive Stormwater Improvements: Replacement & Stream Restoration	\$533,150
City of Laconia	Laconia	Lake Shore Avenue Stormwater Repair & Improvements	\$352,000
City of Laconia	Laconia	Plantation / Colonial Roads Stormwater Improvements: Coordination of Stormwater Infrastructure Construction with Sewer Construction in Pendleton Beach - Rte 11B Sewer Extension Project	\$1,062,866
City of Laconia	Laconia	Centenary Ave / Lakeside Ave Stormwater Improvements	\$139,150
City of Lebanon	Lebanon	Westboro Rail Yard Drainage	\$122,000
City of Lebanon	Lebanon	Hanover Street Sewer Project	\$717,750
City of Lebanon	Lebanon	Hillcrest Area - Sewer, Storm Replacement	\$2,230,000
City of Lebanon	Lebanon	WWTF Operations Building Lower Roof Replacement	\$125,000
City of Lebanon	Lebanon	WWTF Security Fence Replacement	\$154,000
City of Lebanon	Lebanon	Lebanon CSO Project	\$7,331,000
Town of Littleton	Littleton	Main Street Reconstruction Phase II Sanitary Sewer Replacement	\$356,000
Town of Londonderry	Londonderry	Pettengill Road Interceptor Sewer	\$4,242,750
City of Manchester	Manchester	Candia Road Pump Station Construction and Small Diameter Sewer Extension	\$2,300,000
City of Manchester	Manchester	WWTP Economizer Upgrade (Heating System on Incinerator)	\$1,150,000
City of Manchester	Manchester	Incinerator Upgrade	\$5,750,000
City of Manchester	Manchester	WWTP Grit System Upgrade	\$4,370,000

American Recovery and Reinvestment Act of 2009
NH Clean Water SRF - Stimulus Preapplications

APPLICANT	LOCATION	PROJECT NAME	TOTAL
City of Manchester	Manchester	West Side Pump Station - Screenings Upgrade	\$1,725,000
City of Manchester	Manchester	Cohas Brook Sewers Extension - Contract No 1	\$6,612,500
City of Manchester	Manchester	Vactor Truck No 1	\$300,000
City of Manchester	Manchester	Wastewater Pump Station Telemetry Upgrade: Incorporate Nine Pump Stations Into SCADA	\$230,000
City of Manchester	Manchester	Woodgate Drainage Improvements - Dredging & Reconstruction	\$460,000
City of Manchester	Manchester	Pump Station Office Conversion	\$1,250,000
City of Manchester	Manchester	Vactor Truck No 2	\$300,000
City of Manchester	Manchester	Merrimack Street CSO Separation	\$690,000
City of Manchester	Manchester	Pump Station Upgrades: Replacement of Trolley Crossing & Juniper Street Pump Stations	\$1,552,500
City of Manchester	Manchester	Cohas Brook Sewers Extension- Contract No 2	\$6,612,500
City of Manchester	Manchester	Hanover Street Drain System Installation (700')	\$212,750
City of Manchester	Manchester	Dunbarton Road Drain System Installation (670')	\$290,000
City of Manchester	Manchester	Vinton Street, Holly Ave & Brunelle Ave Drain: Construction (4470') & Separation of Storm Drain from Sanitary Sewer	\$1,400,000
City of Manchester	Manchester	Goffstown Road Drain System Installation (600')	\$157,550
City of Manchester	Manchester	Rhode Island Street & London Street Drain System Installation (460')	\$360,000
City of Manchester	Manchester	Alpine Sewer & Drain: Construction of Storm Drain (400'+) & Replacement of Existing Sanitary Sewer (102')	\$115,000
City of Manchester	Manchester	Lexington Avenue Drain System Installation	\$62,100
City of Manchester	Manchester	Morse Road Drain Installation (750')	\$335,000
City of Manchester	Manchester	Caron Street Drain System Installation	\$28,750
City of Manchester	Manchester	Pheasant Lane Drain System Installation	\$34,500
City of Manchester	Manchester	South Lincoln Street Drain Installation	\$63,250
City of Manchester	Manchester	Bodwell Road Underdrain Construction	\$49,450
City of Manchester	Manchester	Plummer Street & Union Street Drain: Construction of Storm Drain (1735') & Separate Existing Combined Sewer System	\$460,000
City of Manchester	Manchester	Electric Avenue Drain: Connection of Existing Cross Country Drain to Existing Street Drainage System	\$42,550
City of Manchester	Manchester	Dewey Street Drain: Construct Drainage System on Dewey Street & Connect to Existing Drain	\$184,000
City of Manchester	Manchester	Sunnyside Street Drain System Installation (850')	\$1,400,000
City of Manchester	Manchester	Medford Street Drain Extension	\$35,650
City of Manchester	Manchester	Vassar Street Drain: Construction of Catch Basin Over Existing Drain Line	\$50,600
City of Manchester	Manchester	Elton Avenue Drain Installation	\$35,650
City of Manchester	Manchester	Gurtner Street & Belmont Street Drain Installation (1175')	\$350,000
City of Manchester	Manchester	Gobel Street Drain Extension	\$63,250
City of Manchester	Manchester	South Porter at Fernand Installation of Additional Catch Basin	\$32,200
Town of Marlborough	Marlborough	Infiltration & Inflow Study	\$50,000
Town of Marlborough	Marlborough	Fitch Street Interceptor Slip-lining Rehabilitation	\$75,000
Town of Meredith	Meredith	Sewer System Rehabilitation	\$440,000
Town of Meredith	Meredith	Main Street / South Main Street Sewer Replacement	\$760,000
Town of Merrimack	Merrimack	Interceptor Rehabilitation Project	\$1,600,000
Town of Merrimack	Merrimack	Dewatering Upgrade	\$2,824,000
Town of Merrimack	Merrimack	WWTP Upgrade Phase II	\$2,875,000
Town of Merrimack	Merrimack	Compost Facility Upgrade	\$2,000,000
Town of Milford	Milford	WWTF Septage Receiving Facility Upgrade	\$1,188,275
Town of Milford	Milford	Sewer Collection System Rehabilitation Phase II	\$282,781
Town of Milford	Milford	WWTF Sludge Handling Upgrade	\$1,078,259
Mirror Lake Protective Assoc	Tuftsboro	Mirror Lake Recovery Project	\$664,200
City of Nashua	Nashua	CSO Screening & Disinfection Facility for CSO 005 & 006	\$16,675,000
City of Nashua	Nashua	Class A Biosolids Upgrade	\$8,700,000
City of Nashua	Nashua	Sludge Dewatering Equipment Replacement	\$5,000,000

American Recovery and Reinvestment Act of 2009
NH Clean Water SRF - Stimulus Preapplications

APPLICANT	LOCATION	PROJECT NAME	TOTAL
City of Nashua	Nashua	Secondary Clarifier & Aeration Tanks Rehabilitation Project	\$5,750,000
City of Nashua	Nashua	Aeration Tank Blowers Replacement	\$1,725,000
City of Nashua	Nashua	Sewer Replacement Project	\$2,200,000
City of Nashua	Nashua	Sewer Separation in the Marshall / Bowers / Harbor Area	\$4,700,000
City of Nashua	Nashua	Sewer Separation in the French Hill Area	\$1,190,000
City of Nashua	Nashua	Sewer Separation in the Lawndale Avenue Area	\$7,770,000
City of Nashua	Nashua	Sewer Separation in the Haines Street Area	\$1,150,000
City of Nashua	Nashua	Sewer Separation in the Allds Street / Newbury Street Area	\$3,900,000
City of Nashua	Nashua	In-System Storage & CSO 005 Modifications	\$2,760,000
City of Nashua	Nashua	Storage Tanks at CSO 003 & CSO 004	\$8,050,000
City of Nashua	Nashua	Net-Metering at Nashua WWTF	\$500,000
City of Nashua	Nashua	River Pines Sewer Extension	\$2,400,000
City of Nashua	Nashua	Northeastern Boulevard at Harris Brook Drainage Improvements	\$250,000
City of Nashua	Nashua	Lincoln Brook at Sanborn Drive Culvert Replacement	\$173,000
City of Nashua	Nashua	Main Dunstable Road & Chung Street Drainage Improvements	\$86,000
City of Nashua	Nashua	Drainage Improvements in Three Residential Areas	\$219,000
City of Nashua	Nashua	Holbrook Headwall Replacement at Nutmeg Drive	\$23,000
Town of Newbury	Newbury	Blodgett Landing & Croft Beach Sewerage Pump Station Improvements	\$383,625
Town of Newbury	Newbury	Blodgett Landing WWTF Phase I Upgrade Project	\$934,388
Town of Newbury	Newbury	Blodgett Landing WWTF Phase II Upgrade Project	\$1,108,220
Town of Newbury	Newbury	Sunapee Hills Stormwater Improvements	\$189,601
Town of New London	New London	Electrical Panel Reconfiguration at New London Wastewater Treatment Facility	\$76,000
Town of New London	New London	Upgrade of Sunapee Wastewater Treatment Facility	\$5,925,000
Town of New London	New London	Replacement Pumps and Panels at High Pine Pump Station	\$125,000
Town of Newmarket	Newmarket	New Village Utility Improvements: Sewer, Storm & Road	\$940,000
Town of Newmarket	Newmarket	Sewer Manhole Rehabilitation: I/I Elimination	\$90,000
Town of Newmarket	Newmarket	Headworks Screen at Creighton Street Lift Station	\$192,500
Town of Newport	Newport	Guild Lagoons Closure	\$2,400,000
Town of Newport	Newport	Newport WWTP Phosphorous Removal Upgrade	\$5,750,000
North Conway Water Precinct	North Conway	NCWP Artist Falls Pump Station Modifications	\$300,000
North Conway Water Precinct	North Conway	NCWP WWTP Aeration Upgrade	\$1,500,000
North Conway Water Precinct	North Conway	NCWP Infrastructure Improvements - Ash Street Area	\$6,200,000
North Conway Water Precinct	North Conway	NCWP WWTP Wind Turbines, Geothermal and/or Solar Systems Improvements	\$2,400,000
North Conway Water Precinct	North Conway	NCWP WWTP Septage Modifications	\$2,000,000
Town of Northfield	Northfield	Sewer System Improvements on Bay & Gale Streets: Replacement (2500') & I/I Elimination	\$862,050
Town of Northfield	Northfield	Sewer Metering & SCADA System	\$100,100
Town of Northfield	Northfield	Sewer System Improvements on Granite, Watson & View Streets: Replacement (2500'), Extension & I/I Elimination	\$900,550
Town of Northumberland	Northumberland	Northumberland Water & Sewer Improvements - Contract #3 (Groveton Village)	\$1,292,500
Town of Ossipee	Ossipee	Dismantling & Closure of Town Incinerator	\$154,000
Town of Pembroke	Pembroke	Broadway Section Road & Storm Drain Improvements	\$1,692,000
Pennichuck Water Works	Nashua	Tinker Road Stormwater BMPs	\$350,000
Town of Peterborough	Peterborough	WWTF Upgrade Construction of New WWTF	\$13,344,000
Town of Peterborough	Peterborough	WWTF Upgrade Wastewater Equipment Garage & Repair Facility	\$4,000,000
Town of Peterborough	Peterborough	WWTF Upgrade Infiltration & Inflow Elimination Project	\$800,000
Town of Peterborough	Peterborough	WWTF Upgrade Tertiary Treatment Construction of New WWTF	\$3,000,000
Town of Peterborough	Peterborough	WWTF Upgrade Solids Handling System	\$1,500,000
Town of Peterborough	Peterborough	Wastewater Collection Improvements	\$527,500

American Recovery and Reinvestment Act of 2009
NH Clean Water SRF - Stimulus Preapplications

APPLICANT	LOCATION	PROJECT NAME	TOTAL
Town of Peterborough	Peterborough	Downtown LID Stormwater Improvements Pine Ridge Area	\$85,000
Town of Peterborough	Peterborough	Downtown LID Stormwater Improvements Grove Street	\$135,000
Town of Pittsfield	Pittsfield	Joy Street/South Main Street Pump Station Upgrades	\$288,324
Town of Pittsfield	Pittsfield	Waste Water Treatment Facility Control Building Upgrade	\$179,083
Town of Plymouth	Plymouth	Plymouth Village Water & Sewer District - Highland St - Batchelder St Cross Country Line	\$169,250
Town of Plymouth	Plymouth	Plymouth Village Water & Sewer District - Inflow/Infiltration Reduction	\$235,000
Town of Plymouth	Plymouth	Plymouth Village Water & Sewer District WWTF Improvements	\$6,115,000
City of Portsmouth	Portsmouth	State Street Improvements Project Utility & Road Upgrade	\$2,200,000
City of Portsmouth	Portsmouth	Lincoln Area Sewer Separation Areas 2, 3, 4 & 5	\$11,800,000
City of Portsmouth	Portsmouth	Islington 2 Sewer Separation Project	\$2,000,000
City of Portsmouth	Portsmouth	Pierce Island WWTF Upgrade	\$57,500,000
City of Portsmouth	Portsmouth	Goose Bay Drive Sewer Upgrade Project	\$750,000
City of Portsmouth	Portsmouth	Sagamore Avenue (South) Sewer Extension	\$1,300,000
City of Portsmouth	Portsmouth	Sagamore Avenue (North) Sewer Extension	\$1,300,000
City of Portsmouth	Portsmouth	Rye Line Sewer Improvements	\$575,000
City of Portsmouth	Portsmouth	Heritage Avenue Sewer Force Main	\$130,000
City of Portsmouth	Portsmouth	Pease WWTF Headworks Upgrade	\$1,500,000
Town of Raymond	Raymond	Wastewater Collection, Treatment & Disposal Facilities	\$12,000,000
City of Rochester	Rochester	Spaulding Turnpike Sewer Rehabilitation	\$525,000
City of Rochester	Rochester	Washington Street Phase IV Sewer Upgrade	\$2,205,000
City of Rochester	Rochester	Headworks & Grit Removal Equipment Upgrade at WWTP (Gonic)	\$2,474,500
City of Rochester	Rochester	Replacement of Aeration Blowers with Energy Efficient Blowers at WWTP (Gonic)	\$625,000
City of Rochester	Rochester	Replacement of Four Aging Underground Sewer Pump Stations	\$780,000
